EXPRESS IRA MARKETING LITIGATION) Master Case No. 4:06-md-01786

FINAL ORDER OF JUDGMENT AND DISMISSAL WITH PREJUDICE

The Court previously granted final approval of a settlement in this litigation on the basis that the settlement is fair, reasonable, and adequate to the settlement class. *See* Fed. R. Civ. P. 23(e). The Court also previously determined that all of the requirements necessary for certification of a Settlement Class were satisfied.

In light of the foregoing, the Court hereby ENTERS A FINAL ORDER OF JUDGMENT IN THE CASE and ORDERS that:

1. Defendants are hereby ORDERED to make all payments required by and in accordance with the Settlement Agreement;
2. Except as provided in Paragraph 4 of this Order, all Class Members participating in the settlement, and the successors and assigns, are hereby permanently enjoined and restrained from asserting, commencing, and/or prosecuting, either directly or in any other capacity, any and all claims that were released pursuant to the Settlement Agreement. The released claims are hereby compromised, settled, released, discharged, and dismissed as to all Class Members, and their successors and assigns, with prejudice by virtue of the proceedings herein and this Order;
3. Defendants, and their successors and assigns, are hereby permanently enjoined and restrained from asserting, commencing, and/or prosecuting, either directly or in any other capacity, any and all claims that were released pursuant to the Settlement Agreement against any Plaintiffs,

Class Members, or their attorneys. Defendants' released claims are hereby compromised, settled, released, discharged, and dismissed as to all Class Members and their successors and assigns with prejudice by virtue of the proceedings herein and this Order;

4. The persons identified on the attached Exhibit 1 requested exclusion from the settlement class and are therefore excluded from this Settlement. The Persons so identified shall neither share in the benefits of the Settlement nor be bound by this Judgment. All Persons who meet the Class definition and have not submitted such an exclusion request shall be bound by this Judgment.

5. Neither the Agreement nor the Settlement nor any act performed or document executed pursuant to or in furtherance of the Agreement or the Settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claims, or of any wrongdoing or liability of Defendants; or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of Defendants in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Defendants may file the Settlement Agreement, this Judgment, or both in any other action that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good-faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim;

6. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction to implement, enforce, administer, effectuate, interpret and monitor compliance with the provisions of the Settlement Agreement, the Final Approval Orders and this Judgment; and

7. This case is hereby **DISMISSED WITH PREJUDICE**, and all costs shall be borne to each party pursuant to the Settlement Agreement.

IT IS SO ORDERED.
